

Commercial Insulating Glass (CIG) offers standard illuminated glass graphics as part of your purchase. Graphics are designed to promote traffic to your business. Each design offers two versions. See each graphic for more details.

Custom artwork is also available using your company's logo and message. Contact us for more details.

ILLUMINATED GLASS

Fully customizable graphics art embedded to glass pack helps deliver your message, brand or logo with a eye-catching yet strong style. Use our controller to display your message, brand or logo with a wide range of RGB color configurations. Options are endless.
